VOL. 57 — No. 3

Observations... From Around Town

(BY JAY WHOZIT)

Usually about this time every year many questions have been asked and many guesses made as to who will be king and queen of the annual Carnival Ball, but so far this year we've not heard very much discussion on the subject, so we'll start the ball a-rolling by asking who will reign on the night of February 6th? ... and speaking of Carnival celebrations, the Bay High School Parents Teachers Association is sponsoring an all-day affair for Mardi Gras Day, February 10th, to consist of a parade in the afternoon, followed by dancing which will continue into the night ... the reason for this is because, it is said that many cannot always go into New Orleans for the day, but can enjoy themselves here at home ... Bay St. Louis Little Theater will really go "big time" on Monday, the 19th, when they will present five "Oscars" for dramatic excellence during 1947- to members of their organization ... the March of Dimes campaign began yesterday, January 15th, folks, and will continue through January, so let's make those extra dimes and dollars, too, do something worthwhile, by contributing to this campaign, thereby helping some unfortunate Polio victim to regain that much treasured health and happiness ... the American Red Cross Campaign Drive, which will begin in March will be under the direction of Mr. Ed. J. Arceneaux, Sr., who will announce his supporting committee later ... we had our first freezing weather of this winter, this week when the mercury skidded to 30 degrees on Wednesday and Thursday mornings, but Old Sol, shining as brightly as any summer day quickly took care of the situation, now that the contract has been let for the paving of the five and one-half mile stretch of highway, recently built by Hyde Construction Co., we will be looking forward eagerly to its completion, because of the terrible condition of the old road ... if you are interested in the latest model trucks, be sure to visit the show rooms of the Bay Motors, Inc., 130 Court Street, this Friday, 16th, when the latest in Ford Trucks will be on display, and orders taken for quick delivery ... if you are a basketball fan you can get your fill of the sport now with the Stanislaus and Bay High teams now in full swing, and playing some swell games ... also the world-famous House of David Basketball team will play the Perkinson Junior College Team at Bay High Gym on Wednesday night, January 21st at 8 o'clock ... local sportsmen plan to propose a bill to the Mississippi Legislature which would impose a charge against Louisianians who fish in Mississippi waters unless the Louisiana Legislature will amend the law that now imposes a ten-dollar charge against Mississippians who fish in Louisiana waters ... local hunters, game has not been too plentiful this season, with the usually plentiful doves almost as scarce as hen teeth.

Funeral Services For W. F. Witter Held Last Friday

Funeral services were held here Friday afternoon for W. F. Witter, who died at his Main St. home on Wednesday night, January 8th. Religious services were held at the Fahey Funeral Home and at Cedar Rest Cemetery by Rev. H. Bufkin. Oliver, pastor of Main Street Methodist church. Pallbearers were J. W. Williamson, Jesse Gray, Forster Commagere, Dan Stone, Edward Kimmel, Aline Saucier. Honorary pallbearers were M. L. Ansley, R. Murphy, Sidney Manieri, Henry Capdepon.

Mr. Witter had been a resident of Bay St. Louis about 20 years and owned and operated a jewelry and watch repair business.

Stolen Truck Recovered

The Mississippi Power Co., truck, parked between Echo Building and A. & G. Theater, was taken on Sunday night at about 8 o'clock. The truck was located in Picaune on Wednesday evening one block from Mississippi Power Company office by the local Picaune manager. Nothing in the truck had been disturbed.

To Hold Open Hearing

The State Game and Fish Commission will hold an open hearing and discussion on wild life on Tuesday, January 20, at 9 a. m. in the commission office at Jackson. The main purpose of the hearing will be a discussion of the depleted quail supply with other subjects being brought up for attention. Sportsmen and other interested persons from the entire state are urged to attend this meeting.

Gas Line Owned By City In Harrison County Sold

United Gas Corporation Purchases All Equipment On Line From Henderson Point To Highway 49—Pipe Line Transferred to United Gas Pipe Line Company—Officials Should Be Commended For Action

CHAMBER OF COMMERCE NOTES

At the regular monthly meeting of the Chamber of Commerce held at the Courthouse Thursday, January 8th, eighteen new memberships were turned in along with pledges of several more.

A motion was adopted authorizing president Howard LeTissier, to secure prices on 2 signs to be erected at each approach to the city on highway 90 and to get up data for a pamphlet extolling the virtues of Hancock County, so that one of them could be placed in all out going mail, as well as a supply being sent to the proper agencies all through the mid west. At present the Chamber of Commerce does not have a single piece of literature and due to the advertisement that the Coast Council, placed in 27 papers in the North and in Canada, the first week in December, each day brings inquiries asking for information and literature. It is embarrassing, but we are answering all inquiries to the best of our ability.

Veterans May Enter Gulf Coast Trade School

A limited number of vacancies exist in the Gulf Coast Trade School for both white and colored veterans interested in training as auto mechanics under the G. I. Bill of Rights. Veterans interested in training should contact Mr. W. W. Wehr, Gulf Coast Trade School for further particulars. Students who hold certificates of eligibility may enter training on the 1st or 16th of any month. Disabled veterans are also eligible for training in this institution under the provisions of Public Law 16.

Bay St. Louis To Have Mardi Gras Parade

Parent Teacher Association Are Sponsoring Mardi Gras Celebration—General Masking Urged—Entry of Floats Being Solicited

Funeral Services For Roger I. Ferguson Held In Texas City

Funeral services for Roger Irving Ferguson, of 3449 Proctor Street, Port Arthur, Texas, were held on Tuesday morning, December 30th, 1947, with services from Granmier's Chapel with Dr. Stewart Clemenin, pastor of the Methodist Temple, officiating.

He died suddenly on Sunday, December 28th. Mr. Ferguson, a native of Brookline, Mass., was well known in Bay St. Louis, having married the former Miss Victoria Bangard of this city.

He had lived in Port Arthur for the last 45 years, and was one of the city's pioneer business men. He had retired from active business in 1945. Surviving Mr. Ferguson are his wife of Port Arthur, a daughter Mrs. Martha Bowman, Port Arthur and a grandson, Ferguson S. Bowman, of Port Arthur; a sister, Mrs. Carrie Carpenter of Columbus, Miss., and a brother, W. B. Ferguson of Columbus, Miss.

Choir Organized At Church of Our Lady Of The Gulf

Mrs. George Guilbault has organized a splendid choir at Our Lady of the Gulf Catholic Church which deserves recognition: after the singing of the Mass by Batigliero at Midnight service at the church Christmas many complimentary comments were heard on the work of the choir and its director. The following compose the choir: Sopranos: Miss Helen Biehl, Brenda Assenheimer, Mrs. Yvette Anderson, Mrs. Val Witter, Mrs. Marcelite Cook, Mrs. Theo Thomas; Altos: Misses Vivian Telhiard, Mary Frances Scatfield and Mrs. Leo Blaise; Tenors: Luke Solana; Baritone: Watson Johns; Soloists: Mrs. Val Witter, Mrs. Assenheimer, Watson Johns and Luke Solana.

ED P. ORTTE ADDRESSES ROTARY

Urges Cooperation Of Civic Organizations

The guest speaker before the Bay St. Louis Rotary Club, at the noon day luncheon, on Wednesday of this week, at Hotel Reed was Mr. Ed. Ortte, newly elected President of the Board of Supervisors of Hancock County.

Mr. Ortte, asked for the cooperation of the Rotary Club and the other civic organizations of the County. He spoke of the conditions that existed, and of the great damage that we had sustained in the September hurricane, and of the urgent need for a united front, in order to secure all of the aid that we could from state and federal agencies.

He spoke of the resolutions adopted by the Board of Supervisors of the County, urging the State and Federal Governments to come to the assistance of the County, and the Cities, and of the resolutions that had been forwarded to our representative and senator in Jackson. Resolutions have also been forwarded to our United States Senators, Eastland and Stennis, and to Congressman Bill Colmer, and Mr. Ortte stated that he had received telegrams acknowledging receipt of these resolutions.

"It is to be hoped," Mr. Ortte said, "that under the Federal Beach Erosion Act, that we may be able to receive some assistance from the Federal Government, and if not from this source, perhaps from a Presidential grant, the same as the first grant of \$100,000.00."

He urged that petitions be forwarded to the State Legislature by the various Civic Organizations of the County.

Mr. Ortte, reported that the Beach Road from St. Charles Street, in Bay St. Louis to Bayou Caddy, will be ready for general use shortly. "This road," he said "through the use of the Mud Jack recently purchased by the County is rapidly being placed in a state of repair," and the general public will be able to use it for all traffic shortly, even though in some sections the concrete will not have been replaced, a good gravel surface will be used for the time being."

At the conclusion of his talk Mr. Ortte asked if any wished to ask any questions and several were asked, and answered.

Slot Machines Removed Following Sheriff's Orders

On Monday at noon all of the slot machines in Hancock County were out of sight. Sheriff Burton D. Johnson, says that he ordered the machines out and that the owners were very cooperative and that it was not necessary for him to remove any.

The Sheriff stated that he had no other comment to make.

Hancock County Game Warden Commended

In its Column, "News from Outdoors," the Jackson Clarion Ledger of January 11th, makes much comment as to the great work that the State Game and Fish Commission is doing. He makes mention of the fact that the State Conservation League is suggesting a higher rate of pay for the Game Wardens of the State. We quote as follows from this column:

"Few people ever have much good to say about a Game Warden. Not so with Director R. M. Freeman of the State Game and Fish Commission."

"My Wardens have certainly been on the job and they are doing a great job for our department. I just wanted the public to know, it too, Freeman told us this week."

He lists his very active wardens who have taken part in the arrest of deer hunt violators, and heading this list is Hancock County's Game Warden Randolph Bourgeois of Bay St. Louis.

Alexander Holdings Sold To International Paper Co.

One of the largest real estate transactions ever recorded in Hancock County was the transfer on December 30th, of the lands of Lester E. Alexander to the International Paper Company. The consideration amounting to \$230,000.00.

Mr. Alexander during the course of many years had blocked several thousand acres of land, which fronted on Highway 90 from the Lake shore Road to Pearlinton, and on down to Mulatto Bayou to the Pell Cuevas place.

These lands have a heavy growth of timber, and really show the benefits derived from forest fire protection.

Basketball League Games Scheduled Each Tuesday And Wednesday

Scheduled games for the Hancock County Basketball league are played each Tuesday and Wednesday night. On Tuesday nights, the games are played at the Kiln High School, and on Wednesday at Bay High Gym.

To those who enjoy seeing a good basketball game may we suggest that you take in these games. Many of the best players in the County are signed up by the various teams, and it is encouraging to these boys who devote their spare time to a good, clean wholesome sport, when the games are well patronized.

Scores for games for week ending Wednesday, January 7:

Dedeaux 39, Aaron Academy 31.
Toune's 23, Clermont Harbor 16.
Al's Cafe 44, Ramond's 30.
Rhodes 57, Annunciation Catholic 54.

For week ending January 14:
Annunciation 61, Toune's 32.
Al's Cafe 30, Aaron Academy 51.
Rhodes 80, Clermont Harbor 28.
Dedeaux 45, Ramond 29.

Church Bells To Be Electrified

The bells at Our Lady of the Gulf Church will be electrified during this week. It will no longer be necessary for one to pull the ropes in order to sound the bells, the pushing of a button will take care of their ringing from here on.

These bells were installed, with much ceremony, in March 1909, and from a clipping of the Times Picayune of March 13th, of that year the following is said of the ceremony of the blessing of the bells:

"Last Sunday morning at 10:00 o'clock we witnessed the impressive and beautiful ceremony of the formal blessing of the bells for the church of Our Lady of the Gulf."

Right Rev. Thos. Hefflin, Bishop of Natchez, who arrived here the evening previous, conducted the ceremony, assisted by Rev. Father J. M. Prendergast, pastor of the parish, and Rev. Wm. Irwin, assistant. Shortly before the hour appointed for the ceremony the parishioners formed at the pastor's residence in Union Street and proceeded to the church yard, where the two massive bells had been hung on temporary supports, and decorated. The larger bell was tastefully decorated with smilax, ferns and over one hundred deep red carnations, while the other was trimmed with violets and maiden hair ferns, both triumphs of fair and artistic fingers.

"The ceremony which lasted about an hour, was witnessed by several hundred people. The larger of the bells was christened 'Joseph Julius' the sponsor being Mr. Jos. O. Mauffray and Miss Ruth Cazeneuve. This bell was donated jointly by Messrs. Jos. O. Mauffray, Jos. F. Cazeneuve, John A. Green and Charles Fricks."

The bell of the smaller size was christened 'Hugo' and the sponsors were Mr. Lucius Hoffman and Miss Alvina Hoffman. This bell was donated by Mr. Hugo Hoffman.

At the conclusion of the ceremony the bells were sounded by the Bishop, the priests and the sponsors.

At the conclusion of the ceremony which consisted of the recitation of prescribed prayers, the covering of the bells with holy water and the anointing with holy oil, etc., the gathering entered the new church, where solemn High Mass was celebrated by the Bishop. In the course of his address the Bishop took occasion to compliment and congratulate the pastoral and congregation on the magnificence of the new church's proportions, saying it was the largest Catholic Church in the State of Mississippi and, naturally, one of the handsomest when it would be completed in detail."

St. Margarets Daughters Elect Officers

On January 12th., 1948, a special meeting of St. Margarets Daughters was held in order to elect officers for the coming year.

The absence by death of Mrs. G. Y. Blaize, who had served as President of St. Margarets Daughters for a great number of years, and who through her good works and acts of charity, had endeared herself in the hearts of the membership and of many others, was greatly felt.

Officers elected for the ensuing year are:

President—Mrs. George Guilbault.
1st. Vice President—Mrs. Scott Assenheimer.
2nd Vice President—Mrs. Marcelite Cook.
Recording Secretary—Mrs. P. J. Treutel.
Financial Secretary—Mrs. Angelo Palmisano.
Corresponding Secretary—Mrs. Alfred Bonneval.
Treasurer—Mrs. Daisy Wentworth.
Spiritual Adviser—Rev. Monsignor Andrew J. Gmelch.

March Of Dimes Drive Started Thursday, Jan. 15th

Many Events Scheduled For Benefit of Infantile Paralysis Fund—Wells Distributed; All Asked to Contribute

ATTENTION LITTLE THEATER MEMBERS

Three Questions there are for you to answer:

(1) Have you made your plans to be at the Little Theater at 8 p. m. this Monday, January 19th, to discuss and vote on the 1948 Executive Board? And have you tied a string around your finger so you won't forget to come?

(2) Have you marked your votes on the ballot sent you by mail last week to determine which six Little Theater members will receive Oscars for outstanding performances during 1947? You know you're supposed to bring your ballots with you to Monday's night meeting, don't you? You'll drop them in the ballot box at the door; and after the general election of the new board; the votes for Oscars will be counted and the awards presented then and there! Don't let your vote go to waste! Be sure to bring it with you!

(3) In case something like another hurricane is going to prevent your coming Monday night, have you already mailed your "Oscar Vote" to our secretary, Lt. J. N. Horrocks, 531 St. Louis Street, Pass Christian, Mississippi? If you haven't, do it now before you forget, so that your voting privilege as a member will count. You may also mail Lt. Horrocks any nominations you would like to make for officers, if you will be unable to attend the meeting.

Incidentally, last January only a handful of members came to the annual meeting. Don't let that happen this time! If you've enjoyed the plays for the past two years, prove your interest and support by being present this Monday night.

BENEFIT BASKETBALL GAME AT STANISLAUS

On Friday night, January 16th in St. Stanislaus gym, a very special double-header Basketball game will start at 7:30 p. m.

Very special because it is a benefit game, proceeds to go to the 1948 March of Dimes Campaign.

First game will be between St. Stanislaus Juniors and Dedeaux Juniors. Second game: St. Stanislaus Varsity vs. Dedeaux Varsity.

Admission will be adults 25c and Students, 10c.

Hancock County is always generous when asked to give its for a worthy cause. Since everyone knows the tragic aftermath of Infantile Paralysis, there is no doubt that we will not only reach but go far beyond our quota.

So let's start by attending this double-header Basketball Game at St. Stanislaus gym, this Friday night, January 16th, at 7:30.

Jerry Cubranich Died On Saturday, Jan. 10th.

Jerry Cubranich, died on Saturday, January 10 at the Kings Daughters Hospital. His funeral was held from the Fahey Funeral Home on Sunday, afternoon with religious services at the Funeral Home, Our Lady of the Gulf Catholic Church and at St. Mary's cemetery, the Rev. Father Bryan officiating.

He was 73 years of age, was a native of Austria and had lived in the United States for fifty years, 46 of which he had spent in Bay St. Louis.

He leaves a brother, George Cubranich of Chicago, who came for the funeral, and a sister, Alice Pegolo of Trieste. Mr. Cubranich was unmarried.

Acting as pallbearers were Claude Monti, Tom Monti, Joe Benvenut, Norman Benigno, Anthony Trapani and George Remetich of New Orleans.

The March of Dimes Program for the benefit of the National Foundation for Infantile Paralysis began on Thursday, January 15th., and will be Thursday, January 15th., and will be concluded on January 30th.

Mr. Joe Burrows, Treasurer of the local chapters has informed us that the wells that are placed each year in the business houses throughout the county have all been distributed.

The officers of the local chapter of the Infantile Paralysis Foundation are, Mrs. Stella Gex, Chairman, Mrs. L. S. Elliott, Secretary, and Mr. Burrows, Treasurer. Mrs. Richard J. Daley, Jr., is the drive chairman for this year.

There is no established quota for the March of Dime Drives, however, every person should be interested and is asked to make a contribution to this cause. This money is divided between the local chapter and National Foundation. It may be the means of saving the life of a child in Bay St. Louis.

The following events for the benefit of the March of Dimes Fund have been scheduled: Basketball Game, Stanislaus vs. Dedeaux, at the gym, January 16th; Bingo, Knights of Columbus Home, January 20th.; Basketball Game, Bay High vs. Biloxi, doubleheader, January 23rd.; Basketball games, Hancock County Basketball league and Independents, Raymond's vs. Al's Restaurant, Rhodes vs. Annunciation, Al's Restaurant Girls vs. Gulfport Girls; Monday, January 26th, Keno, Knock-Knock Club, Wednesday, January 26th.

Administrative officer AC; J. L. Bishop, Soil Conservationist; Tom, Dosselt and Ford Smith, attended an Outlook Meeting for 1948; conducted at Hattiesburg, under the direction of E. E. Dean, District Agent for South Mississippi and Miss Elaine Massey, District Home Economics Agent, on last Wednesday.

Attend Cattleman's Meeting

C. C. Stone, county agent and Otho Rester, member are attending the meeting of the Mississippi Cattleman's Association in Jackson, Thursday and Friday, January 15 and 16. The association board of directors was scheduled to attend but was unavoidably detained.

Mrs. Charles Strong entertained at a small dinner party at her home on Sunday, January 11, on the occasion of the birthdays of her two youngest sons, Roy Strong and J. C. Strong. Those present were Mr. and Mrs. Earl Strong, Mr. and Mrs. Roy Strong, New Orleans; Mr. and Mrs. M. B. Scarborough and J. C. Strong.

WOOD COMPLETES HIS SERVICE AS SECRETARY OF STATE

Walker Wood on the 18th day of January will close 21 years of official service as Secretary of State of Mississippi. He said:

"In serving in this connection the best part of my life has been devoted to my people and native state. In closing a continuous connection for the period of 21 years, naturally there is a touch of sorrow, but the feeling can be surmounted by conscientiously knowing that an honest effort was made during the time to render a service that those who placed their confidence and esteem in you can commend your stewardship. I am grateful for the honor that was accorded me to render this service. I shall always cherish with due appreciation the thousands and thousands of friends that accorded me their loyal support during the tenure of my official service."

"To serve as the director of a major state government department is a distinction that involves many responsibilities and opportunities to render great service. The possibilities for constructive accomplishments grow, a man's life becomes so interwoven with his unit and general governmental affairs that it becomes a profession."

"From the time I received my first mandate I realized that to render the

type service the people should expect and receive required my full time, a well-organized and efficient staff. With this assistance I applied business principles and worked out a service that compares favorably with that of any state of the nation.

"The Secretary of State is a constitutional department. The state government revolves around it. The duties of the department are varied, complicated and interesting."

"The twenty-one year record to my credit will show my best and accomplished a constructive work. I thank the people for allowing me to make this record."

How women and girls may get wanted relief from functional periodic pain

Cardui, many women say, has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Taken like a tonic, it should stimulate appetite, aid digestion, thus help build resistance for the "time" to come. Started 3 days before "your time," it should help relieve pain due to purely functional periodic causes. Try it!

Veterans' News

The number of veterans in an interrupted or discontinued training status increased slightly during November, Veterans Administration reported.

Of all veterans who had entered training under the Vocational Rehabilitation Act (Public Law 18) for disabled veterans since the program began, 32 percent, or 121,700, no longer were in training on November 30, 1947. This number includes 22,400 disabled veterans who had been declared rehabilitated.

Under the G-I Bill (Public Law 346), about 43 percent, or 1,915,400, of all veterans who started training since the beginning of the program, no longer were in training at the end of the month. Only 9,600 of this number completely exhausted their entitlement training.

Veterans Administration during November entered into 1,076 contract supplements with education institutions to provide educational training for World War II Veterans, bringing the total number of contracts in force at the end of the month to 11,966.

Agreements with job training establishments signed during the month totaled 4,481. On November 30, 1947 there were 206,811 such agreements in force.

At the end of November, 697,146 job training establishments and 40,097 educational institutions were on the approved list of training facilities.

QUESTIONS AND ANSWERS

Q—I am a disabled veteran of World War II and would like to know if I can be given a statement of my disability?

A—Information from your folder regarding your disability may be fur-

nished you when, in the judgment of the Administration of Veterans Affairs, it would not be injurious to your physical or mental health. Your private physician may obtain from VA, upon written request, any information concerning your condition which he requires to treat you.

Q—Will Veterans Administration pay for tools and equipment while I am taking on-the-job training?

A—VA will pay for those tools and equipment that are needed by all trainees for the satisfactory pursuit of the same training course.

Q—Will VA pay tuition for a veteran to attend school while he is taking on-the-job training under the G-I Bill?

A—Yes, Veterans Administration will pay for such schooling if his course of study is related to the vocation for which he is training, or if the school course is prescribed and recommended as a part of his job-training.

Q—What should the veteran do if he is not satisfied with the job-training he receives?

A—That is a matter for the veteran to decide himself. But it might be advisable for him to seek the counsel of a VA training officer. He can always discontinue his training, or with VA's permission, he can switch to another training establishment.

NOTICE TO CREDITORS

Letters of Administration on the Estate of J. Townsend Wolfe, Sr., deceased, were granted to the undersigned by the Chancery Court of Hancock, Mississippi, on the 19th day of December, A. D. 1947, and therefor notice is hereby given requiring all persons having claims against said estate to have same probated and registered by the Clerk of said Court within six months from this date and failure to so probate and register same in six months will bar the claim.

Witness my signature, this 19th day of December, A. D. 1947.

Appointments To Staff Of The State Department Of Education

Jackson, Miss., Jan. 10 (Special)—J. M. Tubb, State Superintendent of Education, announces the two following appointments to the staff of the State Department of Education: Dr. W. E. Noblin, Jr., Jackson, Director of the Crippled Children's Services and Ben F. Middleton, State Supervisor of the School Lunch Program.

Dr. Noblin is the son of Dr. W. E. Noblin of Jackson for many years Health Officer of Hinds County. He attended the University of Mississippi, Louisiana State University and re-

ceived his M. D. Degree from Emory University, Atlanta. Dr. Noblin's appointment became effective January 1, 1948, succeeding in this position Dr. Guy R. Post who resigned to become Health Officer of Coahoma County.

Mr. Middleton has been County Superintendent of Education of Yazoo County for the past sixteen years, retiring from office on January 5, 1948, the date his appointment to his position of State Supervisor of the School Lunch Program became effective. He is a graduate of the University of Mississippi and Soule Business College, New Orleans. He succeeds Miss Eleanor Wilson who resigned to enter the University of Alabama to do graduate work in the field of Nutrition.

Mr. Tubb is delighted to make the announcement of these two appointments feeling certain that these two gentlemen will provide sound and progressive leadership in their respective positions.

CHANCERY SUMMONS

Brand NEW for '48 FORD Bonus Built TRUCKS

Bonus* Built — THE AMAZING RESULT OF AN ENGINEERING PRINCIPLE THAT ASSURES WIDER USE, LONGER LIFE . . . and ONLY Ford Trucks Have It!

EVERY single one of the great new Ford Trucks for '48 is Bonus Built . . . designed and built with extra strength in every vital part! But that's only part of this vital truck engineering principle . . .

This extra strength provides WORK RESERVES that pay off for truck operators in two important ways:

● FIRST, these WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond the normal call of duty. Ford Trucks are not limited to doing one single, specific job!

● SECOND, those same WORK RESERVES permit Ford Trucks to relax on the job . . . to do their jobs easier, with less strain and less wear. Thus, Ford Trucks last longer because they work easier!

Yes, Ford Trucks for '48 are Bonus Built . . . built stronger to last longer! That's why they give their owners wider use and longer life! That's why life insurance experts can certify proof that Ford Trucks last up to 19.6%

Only the New Ford Bonus Built Trucks Give You All These Big Advancements!

NEW! 3-New Engines . . . up to 145 h.p.! Brand new Six . . . 2 brand new V-8's! Packed with advancements that give you real performance! Proved Ford reliability and thrift!

NEW! 2 New Big Jobs . . . Biggest Ford Trucks in history! Gross vehicle weight rating up to 21,500 pounds! 145 h.p. engine! 5-speed transmission! They're rugged; they're something!

NEW! Million Dollar Cab . . . Living Room Comfort! New coach-type seat. More headroom, legroom, elbowroom! Picture-window visibility. New exclusive Level Action cab suspension.

NEW! New frames, axles, brakes, steering! Built stronger to give you Ford Trucks even longer life! These new Ford Trucks for '48 are really new all through!

ONLY FORD TRUCKS ARE BONUS BUILT FOR WIDER USE, LONGER LIFE!

longer. That's why the record shows there are more Ford Trucks in use today than any other make. Let us show you the revolutionary new Ford Bonus Built Trucks today!

BUILT STRONGER TO LAST LONGER

*BONUS: "Something given in addition to what is usual or strictly due."
Webster's Dictionary

On a heavy-duty job,
give me new Advance-Design
CHEVROLET TRUCKS
and here's a "load" of reasons why...

**Only Advance-Design
Trucks Have All These
New and Finer Features:**

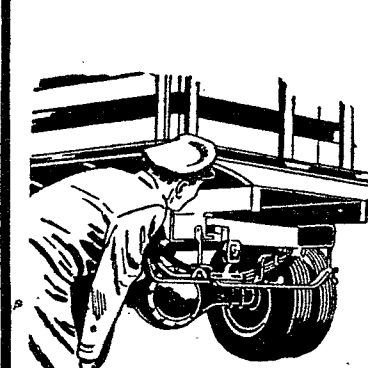

- ★ Cab that "breathes"
- ★ Flexi-Mounted cab
- ★ Uniweld, all-steel construction
- ★ Larger, more durable, fully adjustable seat
- ★ 22% greater visibility
- ★ New, rear-corner windows
- ★ Stronger, new frames
- ★ Full-floating hypoid rear axles
- ★ Specially designed hydraulic truck brakes
- ★ Valve-in-Head Thrift-Master or Load-Master engines
- ★ More efficient loading (stake and high-rack bodies)
- ★ New, thorough sealing insulation
- ★ Standard cab-to-axle-length dimensions permitting interchange of bodies
- ★ ... and MANY more!

Brother, how these stronger, new frames stand-up! Wheel-bases are longer, too, for better load distribution. And the brakes are exclusively designed for greater brake-lining contact!

There's nothing like the cab that "breathes" for comfort! ... fresh air is drawn in from the outside—heated in cold weather—and used as air is forced out. The cab is cushioned on rubber—Flexi-Mounted—with 12 inches more foot room and eight inches more seating space. There's 22% greater visibility, too, they tell me. The seat is fully adjustable. Man, this is it!

Here's a special, heavy-duty job and an extra-special truck! Take your pick from 107 different models and eight wheel-bases. There's one made for your special kind of job.

Look—rear-corner windows! Now it's a cinch to back up without jacking-in. Yes, sir, these trucks are brand new—really different with Advance-Design. And they're packed with power! Fresh air heating and ventilating system and rear corner windows optional at extra cost.

Come in and see these trucks—today! There's a Chevrolet Advance-Design truck to meet your specific needs and offer you TRANSPORTATION UNLIMITED!

A POLITICAL YEAR

Congress convened on January 6th in an intensified political atmosphere. This is a Presidential election year and the big time politicians all have their eyes on November, for the voters will decide in November whether President Harry S. Truman will succeed himself as President or whether the Republican nominee, whoever that might be, will be elected. It is unfortunate that with so many world problems facing the Congress and the Administration that this should be a political year. In fact the second day of the session the President delivered his "State of the Union" message to the Congress in a political atmosphere the like of which we have never witnessed in our tenure here. This situation was aggravated, of course, but the fact that both branches of the Congress are dominated by the Republicans. And whether we like it or not, the combination of a Republican Congress and a Democratic President is not conducive to wholesome legislation. But this only proves that even our system of government, the highest form of government ever enjoyed by man, is not flawless. The President's address was delivered to the Congress in this atmosphere of politics. And while most of the Democrats admitted that it had its political significance it was calculated before hand to be received by a critical audience. Nevertheless, the Republicans were the most severe critics. But certain recommendations of the President were also hotly received in some Democratic quarters. For instance, his reference to his Civil Liberties Committee which recommended the abolition of segregation between the races, etc., was not well received by the members of Congress and others from the South. The Republicans and some Democrats thought some of his recommendations too New Dealish. His recommendations on tax reduction were most hotly received in Republican circles and branded as impractical and unfair in some Democratic circles. And while it is evident that a Republican dominated Congress will not enact the President's tax recommendations into law it is equally certain that some type of tax relief legislation will be passed at this session, and we think that this is the true even though the President should veto a Republican sponsored bill. Many Democrats are of the opinion that there should be some tax relief even though it cannot be what a Democratic Administration wants or what they themselves want. In view of all of this and notwithstanding the fact that politics should play no part in the deliberations of the Congress, in this critical period of the world's history, and as much as you and I would prefer that it did not, we might as well face the situation as it exists and expect to see a lot of political maneuvering in Washington between now and November.

**ORTIE THEATER
PRESENTS
SUNDAY - MONDAY
"THE EGG AND I"**

Starring Claudette Colbert,
Fred MacMurray and
Louise Albritton

Betty McDonald's best selling book—its sales are up around the 1,500,000 mark—was a series of comical incidents about herself, her husband and their enthusiasm over a chicken farm. All of that is in the film, plus a third angle named Louise Albritton, who tries to make Fred MacMurray, who ends up by buying her model farm.

MacMurray is the enthusiastic, returned war veteran who turns from bonds to chickens. Claudette Colbert is the wife who never had a voice in the choice. She's just a first-class sport who blunders her way through to final success. Only it never proves that easy. Neither one of them knows anything about life in the country and even less about life among the chickens.

They learn the hard way, which turns out to be hard and funny for them and any audience.

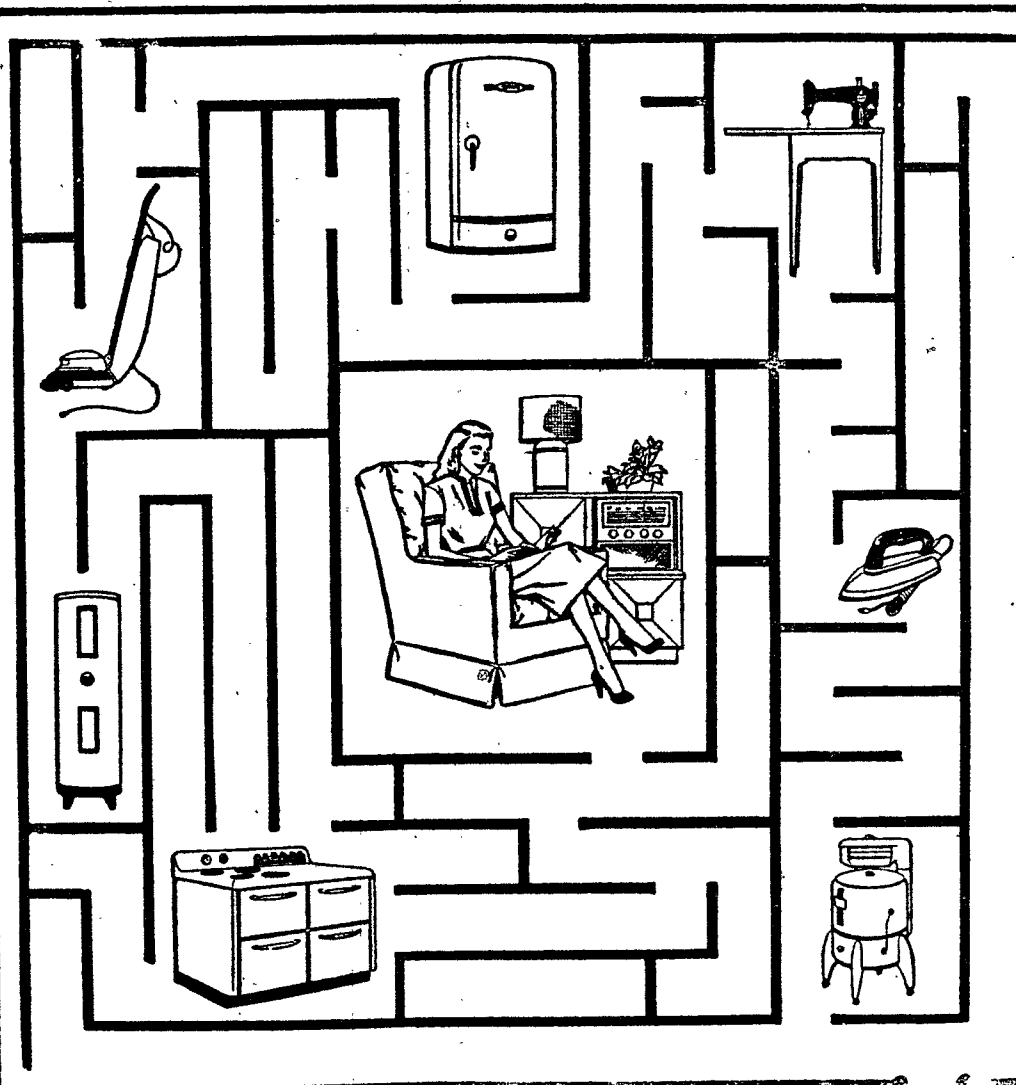

The roof of the dilapidated old house they buy leaks. The stove falls apart. Her recipes never seem to turn out according to the book. The hog turns obstinate. A tree falls the wrong way and wrecks the chicken house. There is a forest fire which wipes them out and warm, friendly neighbors who swarm in with food and equipment to set them up again.

Miss Albritton is whatever feminine menace the film may boast. She's in the open in her play for MacMurray, who seems dumb until it finally develops he has wangled her model farm on easy terms. Miss Colbert, on the other hand, misunderstands the situation, goes home to mother, has her baby and a final change of heart. This returns her to MacMurray, where the complications unravel for a happy finish.

—The Bay-Waveland Garden Club is sponsoring an Heirloom Tea.

The Naval Air Transport Service cancelled only one scheduled flight on its "Hotshot" line, which gives direct service from Washington, D. C., to San Francisco, in its first year of operation of twice-daily flights. On that occasion runways at National Airport, Washington, D. C., were so heavily iced that a landing was considered too dangerous to attempt.

withstanding the fact that politics should play no part in the deliberations of the Congress, in this critical period of the world's history, and as much as you and I would prefer that it did not, we might as well face the situation as it exists and expect to see a lot of political maneuvering in Washington between now and November.

it's a-MAZE-ing!

Husbands, please note! The average housewife performs 70 different tasks in her normal day's work! (Frankly, women will think this figure far too low, but it comes from the U. S. Government's Office of Education!)

Yes, home-making is a big job—but dependable, time-and-labor-saving electricity helps a housewife skip through her maze of tasks. Electric service saves her steps, lightens her work, gives her more leisure, makes life healthier and happier for her and all her family!

And it costs so little! In an era of sky-high prices, that same average housewife still gets over 20% more electricity for her budget dollar than she got ten years ago.

Yes, it is a-maze-ing!

From where I sit... by Joe Marsh

GOOD COMMON SENSE

You hear a lot about prohibition these days and there are some who would prohibit the legal sale of beer and turn this business over to the bootleggers. Now, I've watched the work of W. W. Pierce, director of the Mississippi Committee of the U. S. Brewers Foundation for eight years and I'll take his program of education and self-regulation every time. Director Pierce has field investigators working wherever the sale of beer is legal to see that those who sell this beverage of moderation observe the letter and the spirit of the law and conduct their places of

business in keeping with the rules of public decency. Those who do not lose their beer permits. From where I sit, this seems like good old fashioned common sense; and I'm convinced that most thinking people would rather have beer legal under the brewing industry's vigilant regulation than have the county turned over to bootleggers who openly defy the law and all the rules of public decency.

HOUSE OF DAVID BASKETBALL TEAM TO PLAY HERE

MOOSE LUDKA, 7 ft. 3 in. center

The World Famous Bearded House of David Basketball team will make its appearance here at the Bay High gymnasium, January 21, 8:00 p. m. when they meet the Perkinson Junior College in a basketball game that promises to be an outstanding treat of the season.

Heading the list of the Hairsuets cagers is long Moose Ludka, 7 ft. 3 in. center who tips the scales at 265 lbs. and wears a size 15 shoe. The Moose played college basketball with Syracuse University and is well

remembered for the great defensive job he did on St. Johns College of Brooklyn, in holding their star center Harry Boykoff to 6 points in a game played in Madison Square Gardens last season. Ludka is the tallest player in the basketball world to-day and it will be a revelation to local fans to see this giant in action.

Fans who attend this game will witness one of the nation's top flight basketball teams in action as well as have a night's entertainment that bears all the earmarks of a three ring circus.

Dr. Erwin Winner Of Grand Prize At Camellia Show Of Garden Club

Dr. Emmett Erwin was the winner of the Grand Prize, the gold ribbon, at the annual Camellia Show of the Bay-Waveland Garden Club held on Thursday afternoon at the home of Mrs. George Stevenson.

Mrs. L. V. Pringle, Biloxi, Mrs. Tom Adams, Pass Christian, and Fred Morton, Biloxi, acted as Judges and made the following report: Guest Exhibitors: Dr. Erwin: Specimen—blue ribbon. Tray of Mirel Variety: Dr. Erwin, blue; Dish of three, James Norman, blue; Club Exhibitors: Specimen—Purple Dawn: Mrs. G. H. Williams, blue; Mrs. Eugene Mogabgab, red; Mrs. Walter Gex, Jr., white; Specimen mixed: Mrs. A. C. Exnicios, blue; Mrs. L. T. Boyd, white; Bowl of three: Mrs. Leo W. Seal, blue; Mrs. Exnicios, red; Mrs. P. J. Treutel, white; Corsage: Mrs. Boyd, blue; Mrs. E. P. Kirkpatrick, red; Mrs. F. R. Curran, white; arrangement—one variety: Mrs. Kirkpatrick, blue; Mrs. Gex, red; Mrs. Louis Pate, white; Arrangement mixed, Mrs. Mogabgab, blue; Mrs. Boyd, red.

Preceding the Camellia exhibit the club met in regular session with Mrs. Tom Adams, president of the Coast Council of Garden Clubs as a guest.

Mrs. Leo W. Seal announced the date of the Heirloom Tea for Friday, Saturday and Sunday, February 20.

J. Pilcher, A. Scaffide C. Desentes, and G. Shields.

BAY HIGH

The Bay High Basketball teams, both girls and boys, lost out in last week's tournament. The girls were beaten 40-30 by Success, who went on to win the tournament. The boys lost to Savannah 36-32, but were leading until the last two minutes.

With twenty-five boxers out Coach Guillory is readying them for their trip to meet Biloxi there on January 21. On Wednesday, January 28, the locals tie up with Hattiesburg Demonstration here.

The 8th grade girls basketball team meet Handsboro in Bay High gym Friday afternoon at 3:30.

Quarterly Report Hancock County Health Department

On the basis of information possessed by the health officers in the control of disease, it would be interesting to speculate on the ills that will pester our people in the years to come. Every man is partial to his own experiences, that unerring guide. To get a picture of what was happening when I began work for the Mississippi State Board of Health in 1916, it will be necessary to mention three diseases that were running rampant and unchecked along with the other ills that harassed and vexed the health officers of that day. In that year the Department of Vital Statistics reported six thousand and thirty-five cases of typhoid fever with six hundred and sixty eight deaths. A death rate of nearly ten per cent, nearly two for each day of the year. With the new drugs and hospital facilities for treatment, this death rate has been lowered considerably in the field of curative medicine. Dysentery, a companion disease of typhoid, must have been running high and the tragedy of this disease is that the deaths were confined almost exclusively to babies. The number of cases of Malaria were reported in multiple of fives. We could not expect accuracy in reporting cases of malaria when the number was remaining above one hundred thousand each year. In 1948 the deaths caused by these three diseases were reported as follows: Typhoid fever nine, dysentery one, malaria twenty nine. My, how the picture has changed.

We were not totally ignorant of the cause of typhoid fever in 1916. Long before that time the typhoid bacillus had been identified as the organism that played the fatal and tragic role, but we did not know the many routes from which it came, wither board, and how to stop it. We knew something about sanitation but we did not know that sanitary practices would need to cover every field of man's endeavor. It was not until we began to practice and teach sanitation whole heartedly, and continuously on a full time basis that reached every avenue of human activity. Not until then did we achieve any success and notice our sick and death rates falling. Some one has said nature's rules have no exceptions and our lives are universally shortened by our ignorance. The public health doctors are supposed to be educated men; certainly we have had the opportunity but I am inclined to believe that not so long ago we belonged in company with laymen. I am of the opinion that we doctors waited and fiddled from 1910 to 1930 about like that grand character Moses and his staff with the children in the wilderness. The tragedy of these two episodes is first Moses had about two hundred miles to go to get out of his trouble but it took him forty

1948 Chevrolet is Massive

The over-all simplicity and massiveness of the new, 1948 Chevrolet is well shown in this three-quarter view of the Fleetmaster Sport Sedan. Fenders, hood, body and door panels all blend, and the crease moulding, below the windows, is wider than that used in previous models. Note the new T-shaped chrome center bar on the radiator grille.

TOP GRADE ASPHALT PROCESSED FROM STATE CRUDE

The finest specification asphalt is another valuable product that is now being made from Mississippi crude oil at The Southland Company's two oil refineries, located near Yazoo City and Laurel, according to A. A. Spencer, Southland president.

The refineries, which now process one out of every 15 barrels of oil that flows from Mississippi wells, are not only refining famous Southland extra purr-formance gasoline, but are making from Mississippi crude oil the highest grade asphalt, equalled only by that produced from heavy Mexican crudes and some few crudes in California.

Average daily production of this high grade asphalt from the Southland's two refineries has now reached a point where it is sufficient to surface from 10 to 15 miles of road a day, depending on the type of bituminous surface applied, according to the oil company executive.

Mr. Spencer, who believes manufacturing industries should be set up in Mississippi to process more of the raw products and materials of the state, adds that the present production of his company's two plants is sufficient to surface more than 5000 miles of farm-to-market highways each year.

Examination For Projectionist at V. A. Center at Biloxi

"The U. S. Civil Service Commission has announced examination for filling of positions of Motion Picture Projectionist, CAF-4, \$2390 per annum, at the Veterans Administration Center, Biloxi, Mississippi. Applicants must have at least two years of experience in operation, maintenance, and minor repair of motion picture projection machines and accessory equipment. No written test is required. Information relative to filing application for this examination can be obtained from the Secretary, Board of U. S. C. S. Examiners at any first or second-class post office in this area or from the Executive Secretary, Board of U. S. C. S. Examiners at the V. A. Center, Biloxi, Mississippi."

Uncle Sam Says

What would you do if you learned that the worker next to you at the office or in the plant was taking home extra pay every payday and you could do the same? Your Uncle Sam needs only one guess. Well, the Payroll Savings Plan for Savings Bonds actually provides extra pay because it accumulates Savings Bonds for you which pay off at the rate of \$4 for every \$3 in 10 years. All you have to do is to authorize your employer to hold back a stipulated amount which he will hand back to you in a better form of money—money which earns interest—U. S. Savings Bonds. Savings Bonds are extra pay. For example, if you take part of your pay in Savings Bonds at the rate of \$2.55 per week, the Bonds become \$2.1845 in 10 years. U. S. Treasury Department

QUICK RELIEF FROM Symptoms of Distress Arising from STOMACH ULCERS

Free! Ask for this treatment that will ease or it will cost you nothing. Over three million bottles of the Wills' Peppermint Cure have been sold for relief of symptoms of distress arising from Stomach and Duodenal Ulcers due to Excess Acid—Poor Digestion, Sour or Unsettled Stomach, Gas, Heartburn, Headaches, Nervousness, and Indigestion. Brand NEW for '48!
FORD Bonus Built TRUCKS
BUILT STRONGER TO LAST LONGER!

THEY'RE here—the great new '48 Ford Bonus Built Trucks for And they're new all through. Three new engines—a Six and two V-8's—with up to 145 horsepower! New Million Dollar cab with living room comfort! Models! Over 115... five new series... two new Big Jobs—the biggest Ford Trucks ever!

And every one of these great new Ford Trucks for '48 is Bonus Built—built with extra strength in every vital part. This extra strength provides WORK RESERVES that pay off for you in two important money-saving ways!

●FIRST: These WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond normal duty. Ford Trucks are not limited to doing one single, specific job.

●SECOND: These Bonus Built WORK RESERVES permit Ford Trucks to do their jobs "relaxed," with less strain, less wear. Thus, Ford Trucks last longer because they work easier!

Come in today—see the only trucks that are Bonus Built. No wonder there are more Ford Trucks in use today than any other make!

* Webster says Bonus means, "Something given in addition to what is usual or strictly due."

MR. AND MRS. R. C. ARMITAGE

Mississippi Legislators Assembling Information On State Oil and Gas Industry

Mississippi Legislators, getting underway with their 1948 session, are reflecting the state's greater interest in conservation of the new multi-million dollar oil and gas industry, an early survey of activities here shows.

With committees fast getting organized, those in both House and Senate which will consider any proposed changes in the state's antique conservation act, are getting all available information tabulated, preparing for hearings and subcommittee reports which will give all members a complete over-all picture of what these newly found resources mean to the

state, and how they can best be developed and maintained.

Legislative leaders declare that interest in conservation of oil and gas is greater among the citizenry of the state generally than has ever been true of a natural resource, and that they often hear the comment that Mississippians generally feel that the state must begin early to stop some of the wasteful practices they know now were permitted in depletion of forest resources. They also feel that the state, being one of the newest oil states, should benefit by mistakes which other states have made in their early conservation laws.

While backing no special act, the Mississippi-Alabama Division of the Mid-Continent Oil and Gas Association has declared its membership—which spends 93 cents of every dollar expended on oil development in the state—to favor a new conservation law, to replace the 1932 act now on the books—passed 16 years ago and seven years before Mississippi's first "oil strike."

"Copies of laws of other states which have recently overhauled their oil and gas conservation laws, are in demand by solons studying the problem, and E. D. Kenna, executive vice president of the Mid-Continent organization here, said more copies are being obtained. Statistics on gas and oil reserves, on production, on the millions being spent on prospecting and on various other angles of the industry which might be helpful, are also being made available when called for.

With these facts and figures at their command, Mr. Kenna said the oil and gas industry leaders are sure the Legislature will wind up with a law that will be a model for producing states, and will safeguard Mississippians' interests.

In one wartime year, Navy food supplies for men included 500,000,000 pounds of meat; 1,400,000,000 lbs. vegetables; 500,000,000 pounds of fruit; 400,000,000 pounds of biscuits, flour and bread and 70,000,000 dozens of eggs.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

Driver Education And Training Course For Teachers

Jackson, Mississippi, January 3 (Special)—The State Department of Education is sponsoring a short course for high school teachers in Driver Education and Training at the M. F. A. Building in Jackson on January 19-23, 1948, according to J. M. Tubb, State Superintendent of Education. Mr. Tubb states that this is a beginning in a program, the results of which are aimed to reduce accidents on the part of high school students from careless driving.

S. A. Brasfield, State High School Supervisor, will be in active charge of this training institute, the courses in which will be taught by Dr. Norman-Key from the American Automobile Association, Washington, D. C., T. H. Naylor, Director of the Division of School Building Service and Transportation will be present for this series of meetings.

Letters have gone to school and county superintendents about this training course. Suggestions have been made that the local school select the teacher and arrange to pay his living expenses while in Jackson. There is no tuition charged and instructional materials will be furnished free to those taking the course.

Mr. Tubb expresses the hope that a good attendance may enroll for this course and that practical courses of Safety Education may be inaugurated in the schools to reduce accidents on the part of automobile drivers of high school age.

Bay St. Louis, Miss.

110,049 units were made in the company's assembly plants, it was announced today by Nicholas Dreystadt, Chevrolet general manager.

The total of 38,160 trucks and commercial vehicles produced during December not only was a new postwar record, Dreystadt pointed out, but also came within 766 units of setting an all-time high mark for this type of production.

Chevrolet produced a million passenger cars and trucks more trucks and commercial units in last month than in any single month since June 1929, when 38,896 such units were made.

The production of 71,889 passenger cars in December also was a new postwar record, exceeding any production month since the resumption of automobile making following V-J.

It was higher than any passenger car production month since December 1941.

Shortly before the end of the year, Chevrolet announced it was the first single company to make more than a million passenger cars and trucks more trucks and commercial vehicles in 1947. The year end production figures show that a total of 1,031,330 passenger and commercial vehicles were manufactured in Chevrolet assembly plants.

REPORT OF CONDITION OF

HANCOCK BANK

of Bay St. Louis, Gulfport and Pass Christian, in the State of Mississippi, at the close of business on Dec. 31st, 1947.

ASSETS

Cash, balances with other banks, including reserve balances and cash items in process of collection	\$1,969,338.50
United States Government obligations, direct and guaranteed	4,810,182.99

My commission expires November 30, 1949.

The Sea Coast Echo

City Echoes

—Mrs. George Stevenson is among those on the sick list this week, a victim of influenza.

—Mrs. F. Sabb spent New Year's holidays with friends in St. Bernard and Violet, La.

—Mrs. C. C. Ferrell left this week end for Birmingham and Decatur, Alabama to visit relatives.

—Harry Sumrall, Jr., has resumed his studies at Mississippi College after spending a short vacation here with his parents.

—Mr. and Mrs. Earl Bremer of New Orleans were weekend guests of Mr. and Mrs. Earl E. Wiegand.

—Mrs. A. H. Boyd of Richmond, Virginia, is visiting her sister Mrs. W. F. Witter at her home in Main street.

—Raymond Traub and his grandmother, Mrs. W. J. Daly spent last week end here with the former's mother Mrs. C. A. Traub.

—Dr. and Mrs. T. B. Sellers are spending a few days in Meridian where Dr. Sellers was called on professional business.

—Miss Joan Elliott attended the Krewe of Hyattians Ball on Wednesday, January 14th. She was accompanied by Pfc. Harry Buell and Pfc. William Nation.

LOST

Car Keys between Postoffice and Courthouse. Return to Echo.

—Mrs. H. D. Sumrall of Laurel is visiting her son and daughter-in-law Mr. and Mrs. H. L. Sumrall at their home on South Beach.

—Miss Julie Elliott of New Orleans, and Miss Joan Elliott spent the week end in Biloxi, visiting Miss Margie Elliott.

—Mrs. R. S. Cooke of Selma, Ala., is spending the winter in Bay St. Louis, with her brother Mr. Chas. Q. Thompson in Dunbar Avenue.

—Mr. C. C. Stone and Miss Annie Lois May attended an Extension Service Farm Outlook Meeting in Hattiesburg Wednesday.

—Mr. and Mrs. F. J. Cassidy returned to Bay St. Louis after spending several weeks with their daughter in Detroit.

—Mr. and Mrs. Rene Duplessis have with them the latter's mother who arrived in the states from Ireland on Saturday of last week.

—The regular meeting of the Altar Society of Our Lady of the Gulf Catholic Church will take place next Tuesday, January 20th, at 3:30 p. m. at St. Joseph Academy.

—Mr. and Mrs. Edward Necaise, nee Miss Elsie Collier announce the birth of a son on Wednesday, January 7, at the Kings Daughters Hospital. This is their second son.

—Rev. John T. Dearing addressed the Father-Son banquet given by the Men's Brotherhood of the First Baptist Church, Gulfport on Tuesday night.

—Mr. and Mrs. J. R. Rollins have issued invitations to the marriage of their daughter Rosemary, to W. L. McFarland of Natchez. The marriage will be solemnized at Christ Episcopal church on Sunday, February 1 at 6 P. M.

—Dr. R. G. Head, Pass Christian, will leave shortly to accept a position with the Florida State Board of Public Health. Dr. Head has been a member of the Bay St. Louis Kings Daughters Hospital staff for the past year.

—Mrs. E. H. Singreen has returned to her home here after an absence of several months part of which time was spent in the hospital. Returning with her to Bay St. Louis was her daughter Mrs. Richard Walters who will spend a few days.

—Mrs. Robert Camors was hostess on Tuesday to the two table bridge club at a luncheon at Hotel Reed after which bridge was played. Mrs. Rene de Montluzin, Jr., was complimented with a baby shower. She received a shower of dainty infant attire.

—Mrs. C. C. McDonald and Mrs. David McDonald returned Thursday from a week in Chicago at the Winter Furniture Market. They report most interesting displays and the purchase of many attractive items.

—Two new lines will be in their furniture department this year. The Heywood-Wakefield line and the Samsonite luggage.

—Mrs. M. W. Briggs entertained informally on Saturday afternoon complimentary to Mrs. H. L. Sumrall. The guest list included only the neighborhood group who were Mrs. W. A. McDonald, Mrs. Carrie Riddle, Mrs. A. C. Exnicios, Mrs. Louis Pate, Mrs. J. A. Evans, Mrs. H. D. Sumrall, of Laurel, Mrs. D. M. Russell, Mrs. C. A. Breath, Mrs. H. B. Weston, Mrs. C. M. Shipp and Miss Josie Miller.

LEGISLATIVE DIGEST

Jackson—Having hurdled swiftly last obstacles to swift and smooth organization, Mississippi's 1948 Legislature set a record-breaking pace early, and was ready this week to get down to real committee organization work and complete details of inaugurating Governor Fielding L. Wright next Tuesday, January 20.

Pre-session worries vanished when the solons gathered Tuesday, and organized both houses faster and with less friction than at any time in modern history. Speaker Walter Sillers, Rosedale, of the House, was re-elected by acclamation; Roman Kelly, ex-assistant clerk, was named clerk in a one-ball race with Stokes Robertson, Jr., of Jackson.

In the Senate, a looming fight over the job of president pro-tem was settled before the session opened, and Senator Oscar Wolfe, Duncan, was named, under an agreement whereby he will resign in March, in order to make an announced race for Congress. Senator Maxwell Bramlette, Woodville, slated to oppose Senator Wolfe for the top Senate job, will presumably then be named. Meantime Senator John Cullin of Vicksburg will act as President of the Senate, pending swearing-in of Lieutenant Governor Sam Lumpkin next Monday.

Clerk Kelly named Frank Ellis as assistant in the House, and Walter Murphy, Hazlehurst, campaign manager for Mr. Lumpkin, who was named secretary of the Senate, named Mrs. Hattie Mae Patterson, Jackson as assistant secretary—first woman ever to hold that post.

WRIGHT SPEAKS
Speaking before a joint session of the Legislators Wednesday, Governor Wright reviewed the last two years of the Bailey-Wright administration, made few recommendations but said he will make several in his inaugural speech, and urged serious thought to the proposed state budget.

Outlining progress made during the last two years, he said he wanted to make it "crystal clear" that the executive branch wanted no credit for the efficient management of state affairs praising the elected and appointed state officials and legislature for having done a "wonderful job," and added that if the late Governor Tom Bailey—whose death in November, 1945 raised him to the chief executive's spot—were still alive, he knew he would sanction that statement.

The governor urged reappropriation of several amounts which have lapsed and which threaten federal "match money," urged that one non-legislative member be allowed on the State Building Commission, so that he might reappoint and thus continue the services of former Governor Hugh White; and in general listed improvements made in state institutions and services since the last regular session.

LEADERS BUSY
Senator John Kyle, Sardis, who had held the job before, was announced as chairman of the Senate Finance Committee, by Lieut. Gov. Lumpkin, who said he will have other committee assignments ready this week.

In the House, Speaker Sillers let it be known that Rep. Hilton Watts, Greenville, will again head the ways and means committee, and Rep. Curtis Swango, Sardis, the appropriation committee, which he headed at special sessions last year following the death of Rep. E. T. "Scrap" Woolfolk, Tunica.

MANY "FRESHMEN"
Heads of both houses expect to have committees picked some time this week; their job is rough this time since a majority of the members have had no previous legislative experience; 78 of the 140 House members and 18 of the 49 Senators have never served in either branch before.

Both houses took a long recess, awaiting committee assignments but the House on Thursday passed several appropriation bills holding them on reconsideration until this week, one reappropriated funds for the state office building, the others reappropriated smaller funds.

LIQUOR ISSUE
First bill to repeal the state's "Black Market Tax" was offered by Rep. W. C. Thompson of Scott county, with no committee designation. Several bills based on various angles of liquor control or prohibition are being drafted.

Other early bills were those by Rep. J. A. Thigpen of Bolivar to revamp the laws governing admission of patients to state mental institutions and several to clarify present state laws.

INAUGURATION PLANS
Meanwhile most interest centers on the inaugural ceremonies of next Tuesday, when one of the most elaborate day-long celebrations in the history of the Capitol City is planned. With squadrons of planes flying overhead, more than a dozen crack bands furnishing music, several well-trained marching units swinging in line, and the entire legislative and official family in the line of march, the parade is scheduled at 10:30; reaching the new Capitol in time for formal inauguration of Gov. Wright at 12 noon, followed at once by his inaugural address. An open house, at the governor's mansion in the afternoon, and a reception at the Capitol at 8 to 9:30 precede the inaugural ball at the Jackson auditorium, which climaxes the events, for which thousands of Mississippians are expected.

Mr. and Mrs. Garfield Ladner of Waveland announce the engagement of their daughter Miss Shirley Margaret Ladner to Mr. Roland J. LaFontaine, Jr., son of Mr. and Mrs. Roland J. LaFontaine, Sr., of this city. The wedding will take place in June.

—The Heirloom Tea will be in February. Keep the date open.

To provide the necessary "depth" for peace time security, the Navy estimates it needs four Volunteer Reservists for each of the 7,426 officers and 25,698 men in its Organized Air Reserve.

—Watch for the Heirloom Tea in February.

In schools established in the Navy in Trust Islands of the Pacific, classes in the practical use of English are held for the native children.

A Navy submarine, the only sea-going craft which provides a stable platform, is helping American scientists make accurate gravity measurements at sea.

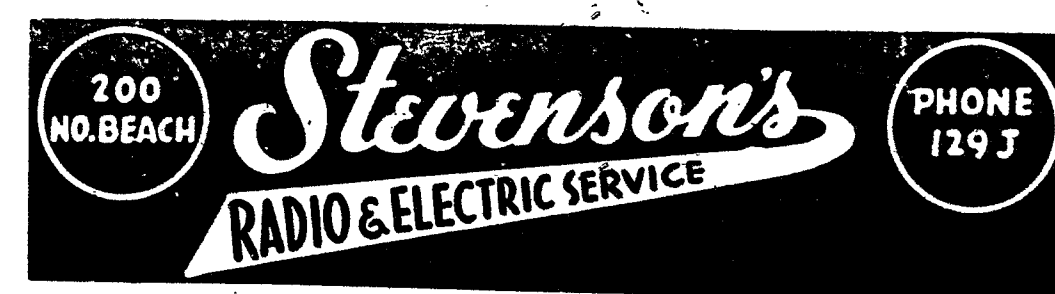

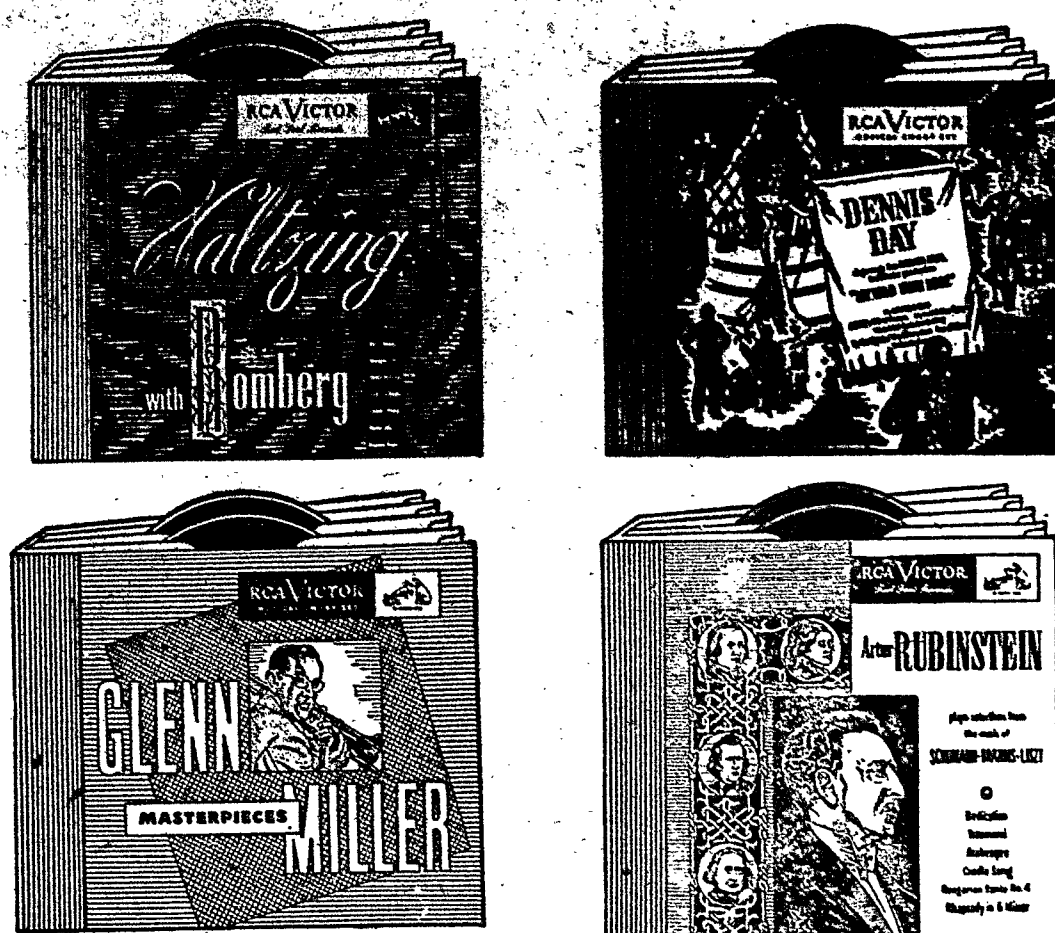

—Watch for the Heirloom Tea in February.

CARD OF THANKS

Words cannot express our thanks to our many friends for the kindness and sympathy shown us during the illness and death of our husband and father, William Franklin Witter. The remembrance will be with us forever.

Wife and Sons.

Music and Romance Highlight New RCA Victor Albums

—Mr. and Mrs. Henry Otis, nee Miss Ruth Sanford, announce the birth of a daughter at the Kings Daughters Hospital on Monday, January 14.

—Roger Heitzmann, Jr., underwent an operation for appendicitis at the Kings Daughters Hospital on Wednesday. Reports are to the effect that he is doing nicely.

—Mr. and Mrs. George H. Rea of Pennsylvania spent a few days here this week as the guests of Mr. and Mrs. E. P. Kirdpatrick at their home in Washington Street. Mr. and Mrs. Rea left Friday for Baton Rouge.

—Jimmy McDonald, son of Mr. and Mrs. C. C. McDonald of this city, was one of the boys of the Coast Area included in the 70 piece ROTC band at Mississippi State College. Others of last week at the home of her parents selected were Paul A. Connerly, Poplars; Edwin A. O'Neal, Gulfport; Charles H. Rouse, Ocean Springs; day cake, games and fun for Kathleen's guests who were a group of her age friends.

—Mrs. Annie Johnston of Logtown who has been a patient in the Kings Daughters Hospital for the past 14 days has been removed to her home in Logtown and is showing great improvement.

—Miss Ida Edwards has been brought to the Kings Daughters Hospital from Hotel Dieu. She is showing marked improvement and it is thought that she may be able to be moved to her home in a few days.

—Dr. and Mrs. H. M. Keefe had and Mrs. E. P. Kirdpatrick at their home in Washington Street. Mr. and Mrs. Keefe left Friday for Baton Rouge.

—Jimmy McDonald, son of Mr. and Mrs. C. C. McDonald of this city, was one of the boys of the Coast Area included in the 70 piece ROTC band at Mississippi State College. Others of last week at the home of her parents selected were Paul A. Connerly, Poplars; Edwin A. O'Neal, Gulfport; Charles H. Rouse, Ocean Springs; day cake, games and fun for Kathleen's guests who were a group of her age friends.

Notice To The Public!

There appeared in the TIMES-PICAYUNE paper of New Orleans, Louisiana, in its edition of Sunday, January 11th, 1948, on the front page statement by Mr. Ed. P. Ortte, President of the Board of Supervisors of Hancock County, Mississippi, which reads as follows:

"The patrol tended to give our county bad publicity. We have a mighty fine state highway police force, and it can take care of policing of the highways. I never did want any local highway patrol."

In reference to this matter I call the public's attention to the minutes of the Board of Supervisors of Hancock County, February 15th, 1946, as they are recorded in Minute Book "Q," page 556, which minutes read as follows.

"Moved by Supervisor Lander H. Necaise, and seconded by Supervisor Ed. P. Ortte, that Welton Ladner, a regularly appointed deputy sheriff, be and he is hereby appointed pursuant to Chapter 196 of the Laws of 1942, at a salary of \$125.00 per month, to act as such regularly appointed deputy sheriff.

"Motion unanimously carried."

Again, on November 8, 1946, at Minute Book "D," page 40, there appears the following:

"Whereas, this Board, at its February, 1946 meeting, and in pursuance to Chapter 196 of the Laws of 1942, did appoint Welton Ladner, a regularly appointed deputy sheriff at a salary of \$125.00 per month, and

"Whereas, all United States Army facilities as described in Chapter 196 of the Laws of 1942, have been removed from Hancock County,

"Be It Therefore Ordered, by the Board that service of Welton Ladner, as said regularly appointed Deputy Sheriff, at a salary of \$125.00 per month, be and the same are hereby discontinued.

"Be It Ordered by the Board that Welton Ladner be and he is hereby appointed County Patrol Officer, pursuant to Sections 8061-8062-8063. Code of 1942, and Chapter 227 of the Laws of 1946, at a salary of \$200.00 per month.

"It is further ordered that said Welton Ladner be allowed the sum of \$50.00 per month as expenses for necessary transportation. Said appointment shall be effective as of November 1st, 1946, and shall cease at the will of the Board."

At the meeting when this resolution was adopted the minutes reflect that all members of the Board of Supervisors were present and that no votes were recorded as being cast against the resolution.

In the same article, in the TIMES-PICAYUNE, there appears a statement charged to Mr. Ortte that he and Johnson Shaw were the only members who opposed the patrol. I believe that the minutes of the Board above quoted will give the public a true picture of the situation.

In the same article Mr. Ortte is quoted as saying:

"About 65 per cent of the people in my territory are Louisiana folks. We want to get along with Louisiana and its people. It looks like they've been picked on and that's stopped right now. We want to encourage folks to come here—not discourage them.

In the following statement I would like to give the people a better idea of who was picking on the Louisiana folks: Sometime in the later part of November, 1947, Mr. Ortte was arrested in Louisiana waters by the Louisiana Conservation Department for violating the game and fish laws of that State, and Mr. Ortte requested me, in the presence of three witnesses, to arrest any automobile passing through Hancock County with a Louisiana tag on it, regardless of whether they were violating the law or not, and requested that I make some charge against them and state to the parties arrested that this was being done because he, Mr. Ortte, had been arrested for violating the Louisiana Conservation laws. He even went so far as to say that "if you catch the Governor arrest him and tell him why.

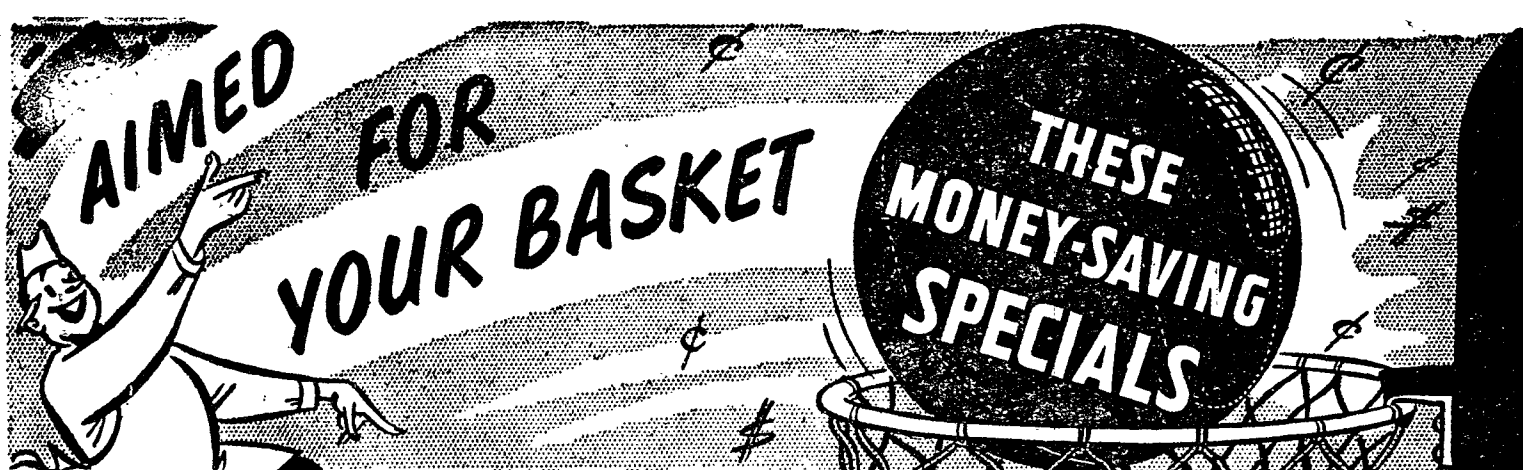

When I refused to arrest people regardless of what state they were from if they were not violating the law, he then said "If you won't arrest them, then I, as a member of the Board of Supervisors, have authority to make arrests and I will arrest them myself." After making the above statement Mr. Ortte proceeded to have a large siren placed on his automobile which siren, I am reliably advised is still there.

The statement above is made so the public may judge for themselves whether it was the Hancock County Patrol picking on the Louisiana folks or Mr. Ed. P. Ortte.

Signed this the 15th day of January, 1948.

WELTON J. LADNER.

Submitted and paid for by Welton Ladner. Paid Advertisement.

Broadcast: January 17, 1948

1/2 cup sugar
1/2 cup flour
1/2 teaspoon salt
1/2 cup fat milk
1/2 cup water
2 eggs, separated
1 cup granulated sugar

1. Mix sugar, flour, salt, and milk. Beat until smooth. Add water and eggs. Beat until stiff peaks form. Spread in a 9x9 inch pan. Bake at 325°F for 20 minutes. Sprinkle with reserved crumbs over top. Bake in slow oven (325°F) 20 minutes, or until light brown. Makes 4 servings.

*Vanilla wafer crumbs also can be used.
